

## NIELS STENSEN FELLOWSHIP

### INVITATION TO PROFESSORS AT UNIVERSITIES IN THE NETHERLANDS

*Nomination of candidates for a Niels Stensen Fellowship*

Dear Professor,

We are pleased to invite you to nominate candidates for a 2021 Niels Stensen Fellowship.

The Niels Stensen Fellowship Committee supports young postdoctoral researchers with outstanding research and knowledge transfer skills and a high level of social responsibility. We welcome academics from all disciplines. You can see the [profiles of last year's fellows](#) on our website.

The fellowship enables talented researchers to gain experience at a university or institute outside the Netherlands. It will finance the costs of travel, accommodation and living expenses incurred abroad.

Every candidate is required to be nominated by two professors at Dutch universities or research institutes. If you would like to nominate a candidate, please send us a letter of recommendation **before May 9th 23.59h 2021**. Further details of [the application procedure](#) can be found on our website.
